The Spill: Personal Stories from the Exxon Valdez Disaster ©2009
Sharon Bushell and Stan Jones softbound \$17.95
288 pages plus 32 pages full color photos and maps

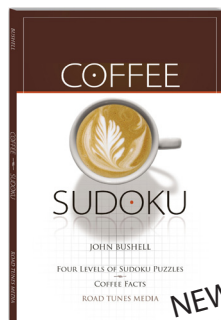

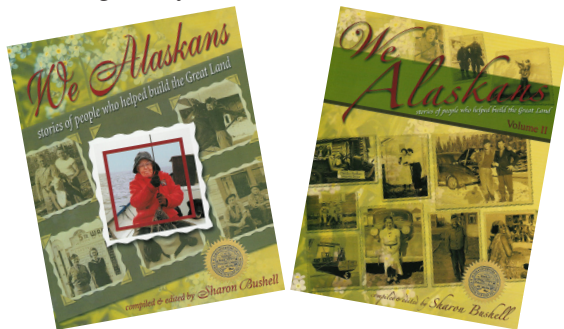

Sharon Bushell travelled the country for almost two years, gathering stories from nearly 100 individuals who were intimately tied to the oil spill. Fishermen, villagers, Exxon execs, scientists, and many more sources all agreed to lengthy interviews, including Joe Hazelwood. This is look at the oil spill that you've never seen before. It will shock and awe you.
